

Dear Promises,

Thank you very much for the lush plant decorated with interesting gift cards that you gave us at the end of the choir season this year. The plant is a great decoration for our living room and we can hardly wait to explore the various eating establishments whose gift cards adorned the plant leaves. The gifts are a special reminder of the choiristers who made the 2007-2008 "Promises Year" a memorable one for us.

Thank you for working so hard and being so patient during rehearsals as we practiced to get those words and melodies "just right". We wanted each performance to be the best it could be so that we could honor and glorify the God who created us--and you succeeded! Your regular attendance at rehearsals really helped The Promises to"Praise God in his sanctuary..". You have been a blessing to many members of the congregation as well as to the Jenkins.

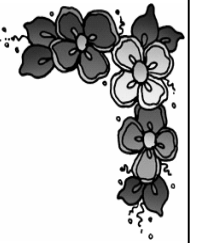

We hope that you enjoyed serving the Lord in this way during the past year as you used the talents He has given you. Our prayer is that, after a relaxing summer break, you will return to THE PROMISES refreshed and ready to participate musically in the worship of our Lord.

The Jenkins' and the returning "Promises" will truly miss those girls who "graduated" this year. Your dedication to the choir has been a real blessing to all.

May God be with you and your families this summer.

Love in Christ,

Mr. and Mrs. Jenkins
